[Verse]

[: **D A D/F# G** :]

This world is not my home
I'm just a passin' through
Another day another dollar
Keep a steppin' just to follow
Got to find my way to you

I'm just a pilgrim
In a foreign land
Just a passer by
Searching for the Promise land
Oh, a pilgrim
In a foreign land
I'm looking for a city
Not made by human hands

[Chorus]

D
Beauty untold
A/C# G A/C#
How the mysteries unfold
D A/C# G
In Your kingdom
A/C# D A/C# G A/C#
It's a jasper light oh so bright
D A/C#
Is Your kingdom
G A/C# D
Twelve thousand furlongs wide
A/C# G A/C#
And again that high
D A/C# G
Is Your kingdom
A/C# D A/C# G A/C#
I will rule and reign another day
D A/C# G
In Your kingdom
